

CONFERENCE INFORMATION

87th Annual ISPA Conference, October 7-9, 2019

Plans for the 87th Annual ISPA Conference are wrapping up. Local #12 Waterloo is working hard to create an exceptional conference. You can see our schedule for Monday golf, as well as Monday and Tuesday evening events along with the agenda on the website.

Preregister for golf by downloading the [entry form](#) from the website. Contact Aaron McClelland mcclellanda@waterloopolice.com with any questions. Monday evening get in on the bags tournament at 6:30 pm in the parking lot. Entry Fee is just \$10 per team / 2-Person Teams (We will match up singles if possible). If entered before September 2nd, you will be eligible for further cash/prizes during the tournament. For entry and questions please send an email to Gus Farmer, farmera@waterloopolice.com to enter and signify names of players or team name.

Tuesday evening entertainment will be provided by Vinnie Montez. Vinnie grew up in Colorado and realized his dream of becoming a police officer in 1998. His experiences as a cop are the foundation for his comedy: you just can't make some of this stuff up. Read more about [Vinnie Montez](#).

We'll see multiple educational programs this year. On Tuesday, Officer Survival Lessons presented by Brian Murphy. This presentation is a firsthand account of a violent attack on a police officer presented by Lieutenant Brian Murphy. Lieutenant Murphy shares his story, his mind-set, and the lessons he learned from surviving a deadly encounter with an armed suspect. Angela Sands, Prevailing Mind-set—Surviving and Winning a Lethal-force Encounter. In November 2015, Officer Sands was shot while on duty. Since that time, she has provided local and national presentations and instruction in prevailing mind-set—surviving and winning a lethal-force encounter; post-traumatic stress disorder; and emotional health for law enforcement.

On Wednesday we'll learn about Tactical Medicine/Combat Causality Care from the Midwest Counterdrug Training Center. Topics include Introduction to Tactical Medicine, Phases of Tactical Combat Causality Care (TCCC), Medical Terminology/Anatomy Physiology, Bleeding Control, and Chest Trauma.

Wednesday will close out with the business meeting and election of officers. If you are interested in running for a board position please do not hesitate to reach out to any board member or past president for their perspective.

Your local should have received conference registration information. If you did not contact Ryan Goecke at ispaonline@gmail.com or 515-299-5320. Registering in advance ensures a spot for you at all events. You can pick up your meal tickets and ID badges on Monday between 2:00-4:00 pm and Tuesday between 7:30-8:30 am. New this year, in place of conference binders you can pick up copies of conference material on a table at the back of the room. Most conference books are returned or not used so instead you can just pick up copies of the items you are interested in.

Please visit the [Conference 2019](#) page on the ISPA website for more information.
